NIGHT MEETING. HON. JUDGE FRANK REID, Republic

Candidate for Governor, will address his fellow-citizens on the Bluffs. Seats will be provided. All are invited, especially his old comrades in the late unpleasantness.

At the same time and place our candidates, for Judge of the Criminal Court, John T. Moss; for Sheriff. Moses Kinsella; for Trustee, John C. Hook, will be present and enliven the meeting with eloquent speeches.

COME ONE: COME ALL!

WM. J. SMITH, Chairman Special Committee

G. D. RAINE, Secretary.

"No amount of pure ocean air in

New York Herald.

A Big Stir About a Case of Summer

pital and her lodgings thoroughly disinfected. No further cases are believed to exist in the community. Two cases of cholera occurred at Narbonne, and at St. Nazaire, a village not far from Toulon, two deaths occurred. One was of an establishment of the presence of most they were buried in the presence of most of the presence of the presence of the presence of most of the presence of the two deaths occurred. One was of an especially pathetic character. An unknown woman was seized while passing along the street. She fell prostrate and expired immediately. A pitiable case is reported from Marseilles. A woman seventy years of age had been missing several days. The police at last forced an entrance into her leadings and found her bedy more than the circumstance was soon forgotten. Cholera was not thought of. On the arrival of the steamer here the remainder of the family left the boat in good health, but where they went Capt. Bryant does not know. The man had stated through the leadings and found her bedy more than the presence of most of the passengers and crew. No one for a moment supposed the disease was anything but common summer complaint and the circumstance was soon forgotten. Cholera was not thought of. On the arrival of the passengers and crew. No one for a moment supposed the disease was anything but common summer complaint and the circumstance was soon forgotten. Cholera was not thought of. On the arrival of the passengers and crew. No one for a moment supposed the disease was anything but common summer complaint and the circumstance was soon forgotten. Cholera was not thought of. On the arrival of the steamer here the remainder of the family left the boat in good health, but where they went Capt. Bryant does not know. The man had stated through

police at last forced an entrance into her lodgings and found her body upon the floor in stich a condition that she must have been dead several days.

An examination proved that she was a victim of cholera. She had lived almost exclusively on fruit.

The corvette Argentina, recently at Marselles, desired to take on coal at Gibraltar.

The English authorities forbade this, and threatened to fire unless the vessel determined to fire unless the vessel de threatened to fire unless the vessel dethreatened to fire unless the vessel de-parted. The Argentina thereupon pro-ceeded to a port in Portugal, and began coaling, but the inhabitants became panic stricken and compelled the authori-ties to order the immediate departure of the unfortunate vessel. Where the Ar-gentina is to find fuel erough to enable her to return to La Plata appears an in-soluble problem. LUNDBORG's Perfume, Edenia.

The condition of affairs at Arles is deplorable. The water supply is entirely cut off, owing to an accident in the hydral apparatus. Namerous funerals of cholera victims have been conducted by men who are generally drunk. These funerals have been conducted by men who are generally drunk. These funerals have been conducted by men who are generally drunk. These funerals have been conducted by men who are generally drunk. These funerals have been conducted by men who are generally drunk. These funerals have been conducted by men who are generally drunk. These functions are generally drunk. Foundations, cellar walls and building subject to overflow should be construct with Louisville Cement. It is the Standar

there have been ten deaths.

At Toulon two foolish youths made a bet as to which could drink the most selt-Charleston avenue. Friends are invited. WRIGHT—On Friday morning, July 25, 1884, at 5 o'clock, Mrs. L. T. WRIGHT, widow of the late Matthew Wright, aged eighty-five years. The funeral will take place this (SATURDAY)

repard to the French law relating to epi-demics, M. Bent described France as, next to Spain and Turkey, the 20st backward

sanes. Complaint is being made at Mar-seilles that the measures of precaution taken against the spread of cholera have been slackened and that the work of disthe work of disinfection was not sufficiently thorough.
The police have arrested a number of undertakers for selling clothing and bedding
helonging to the victims of the epidemic.
Only 3000 persons are at work in the
arsenal at Toulon, Seven thousand work-PRICE BAKING POWDER CO.

arsenal at Toulon, Seven thousand workmen are usually employed. At a lazaret in
Lugana, Italy, the attendants secreted the
keys to the wine cellar on Wednesday
night, and at midnight after having got at
the spirits and becoming drunk, assaulted
the Sisters of Charity and inmates of the
institution, but flerce resistance was
offered them. The soldiers were called out and suppressed the outbreak. Several travelers who were
there under quarantins regulations
were wounded during the disturbance.
An order has been published at Metz that
all persons arriving from France, in Alsace
and Lorraine without having certificates ROB SALE BY GROCERS. PARLEZ-VOUS FRANCAIS SPRECHEN SIE DEUTSCH

THOUSANDS who have studied modern in guages at institutions of learning, after grauating find to their atter dismay that they anot able to carry on even the most simple convestion in the foreign language to the study which they have devoted so much time, energiand money. The cause of this sad fact is to found in the thoroughly impractical methods At Marseilles thirty-eight deaths occur red during the twenty-four hours ended at 9 o'clock to-night. In Marseilles at 6:50 o'clock this even ing seventeen deaths from cholera had

found in the thoroughly impractical methods it vogue.

Mr. LEON LANDSBERG, a graduate of fame universities of Germany and France, and with a very experienced and successful teacher, is not prepared to give lessons in German and French He has adopted the renowned Toussaint-laugen sheid method, anabling the scholar trutilize a once in conversation what he learns with each lesson. A pupil of ordinary adaption will make the reither lauguage within six MONTES. Those lacking time and m ans to take private lesson will be accommodated with a night course of sit months duration, commencing Acquirember I absol, in which all may ir ricipate. Tuition fe will be graded according to attendance. Call address.

1. LEON LANDSBERG, 72 Madison street, Room 5. Losbox, July 25.—The Paris correspondent of the Standard says that the large number of those who recover from cholera show that the disease is not of the

be rigidly inspected and the baggage fumi-gated. The plan was approved. The commissioner stated that with the excep-tion of the Fifth and Fourteen'h Wards, which were largely without sewerage, the city is in good sanitary condition. Some OFFICE OF PLANTERS INS. CO.,
